ELWOOD 156 MKIV

The Elwood 156 is a sensational and sensible design for narrow allotments. With two bedrooms situated at the front of the home, the master suite truly becomes a private parents' retreat at the rear of the home, where a walk-in-robe and ensuite can be found. Moving past the bedrooms is the heart of the home which houses the kitchen with walk-in-pantry, family and dining area. The design ensures that privacy is maintained by offering internal access to the garage through the door located in the entry hallway. This design is available in four layout versions and larger 173 and 197 sizes.
